Note: This appendix is an incomplete sampling of data. Specific information relating to post graduate employment and continuing education, including job titles and salary information is available upon request.

UNIVERSITIES TO ATTEND:

**Biosystems Engineering**
- Grand Valley State University
- Michigan State University
- Ohio State University
- University of California
- University of Michigan

**Chemical Engineering**
- Michigan State University
- Purdue University
- Wayne State University

**Civil Engineering**
- Carnegie-Mellon
- Michigan State University
- University of California

**Computer Science**
- Michigan State University

**Electrical Engineering**
- Columbia University
- Duke University
- Michigan State University
- Northwestern University
- University of Michigan Dearborn

**Environmental Engineering**
- Michigan State University

**Material Science Engineering**
- Michigan State University

**Mechanical Engineering**
- Michigan State University
- Pohang University of Science and Technology
- Stanford University
- University of Michigan

EMPLOYERS INCLUDE:

**Applied Engineering**
- BASF
- Chrysler Corporation
- Continental Automotive
- Dow Chemical
- Epic Systems Corporation
- Facility for Rare Isotope Beams
- Ford Motor
- General Motors
- Great Lakes Wine and Spirits
- IBM
- Jackson National
- Kohler Company
Biosystems Engineering

- Anheuser-Busch, Inc.
- Biogenic Reagents
- CMC Solutions
- Davis Creek Meats and Seafood
- Ford Motor
- Goldman Sachs
- H.J. Heinz
- JBT Foodtech
- Kellogg
- Kerry Group
- Nestle USA
- Procter & Gamble
- Schreiber Foods Inc.
- United Therapeutics
- Waisman Biomanufacturing
- Wornick Foods

Civil Engineering

- Baker Hughes
- Bergmann Associates
- Christman Company
- Fishbeck, Thompson, Carr & Huber
- Jacob & Hefner Associates
- Kiewit
- Kimley-Horn & Associates
- KPFF Consulting Engineers
- Nicholson Construction
- Northwest Consultants, Inc.
- OHM Advisors
- Semco Energy
- Snyder & Staley Engineering, PLC
- Soil and Materials Engineers Inc.
- Villanova Construction Co.

Chemical Engineering

- 3M
- Albemarle Corporation
- ArcelorMittal
- Avery Dennison
- BASF
- Bayer
- ConAgra Foods
- Dow Chemical
- DTE Energy
- E&J Gallo
- Eli Lilly
- Ford Motor
- General Mills
- General Motors
- International Paper
- Marathon Petroleum Company, LLC
- Merck
- Perrigo Company
- Pfizer
- Plastipak Packaging, Inc.
- Proctor & Gamble
- SRG Global
- Sundance Beverage Co.
- XG Sciences

Computer Engineering

- BorgWarner
- Continental A.G.
- Dematic Corporation
- Fast Enterprises
- Ford Motor
- General Motors
- Systems in Motion
- Thomson Reuters
- USAA

Computer Science

- Amazon.com
- Auto-Owners Insurance Company
- Barracuda Networks
- Covenant Eyes
- Epic Systems Corporation
- FAAC
- Ford Motor
- General Motors
- Groupon
- IBM
Michigan State University • Microsoft • New World Systems • Northrop Grumman Corporation • Optiver • Plex Systems • TechSmith Corporation • The Shumaker Technology Group • Williams International • Yazaki North America

Electrical Engineering
• ABB • Autoliv • Chrysler Corporation • Consumers Energy • Delphi • Eaton • Ford Motor • Gentex • Nexteer Automotive • Siemens Corporation • Texas Instruments

Environmental Engineering
• Environ • Natural Resource Conservation Service

Material Science Engineering
• ArcelorMittal • Detroit Diesel • Gentex • Gerdau

Mechanical Engineering
• Albemarle • ArcelorMittal • Avery Denison • Chrysler Corporation • Dow Chemical • Dow Corning • Eaton • Eberspaecher • Eli Lilly • Federal-Mogul • Ford Motor • General Electric • General Mills • General Motors • Gentex Corporation • Google • Halliburton • John Hopkins Applied Physics Lab • Marathon Petroleum Company LLC • Meritor • Michigan State University • Parker Hannifin • Procter & Gamble • Schaeffler • Steelcase • Stryker • Sumitomo Electric Wiring Systems • Whirlpool

JOB TITLES INCLUDE:
• Application Engineer • Associate Engineer • Design Engineer • Manufacturing Engineer • Mechanical Engineer • Operations Management Trainee • Process Engineer • Product Development Engineer • Project Engineer • Software Developer
