Step 1: (Thursday, Jan 21) Receive the hanging parking permit when you check in for the career fair

The hanging parking permit for parking in Ramp 5 employee spaces will be included in your employer packet. If your interview schedule changes, inform the MSU Career Services staff during check-in for Diversity Career Fair on January 21, 2016.

Step 2: (Friday, Jan 22) Park in Ramp 5 employee space and hang permit.

- Note the date (January 22, 2016), the time (7:00 with AM circled) and the day (Friday) are included on the permit.
- Park only in the employee spaces within Ramp 5 (the permit is not valid at meters, in lease spaces, University vehicle spaces or spaces requiring a disability plate or placard).
- Hang the permit from the rearview mirror so that the hand-printed information faces the windshield and is clearly visible and readable from the outside. Shuttle drop-off/pick-up will be located at the northwest corner of the 4th floor. There are elevators and stairs if you park on a lower floor.

Step 3: Take a shuttle bus to the Stadium and check-in for interviews

The MSU Career Services will provide a shuttle bus between Ramp 5 and the Stadium from 8 AM - 6 PM. Meet the shuttle on the 4th floor, northwest corner of Ramp 5. There are elevators and stairs at that location.

Illegally parked vehicles are subject to enforcement.
