Career Passport

2000 – Production of the “Placement Manual” is brought in-house, creating a one-of-a-kind, award winning career guide publication designed by Career Services for MSU. This year we distributed 22,000 copies of this 72-page full color magazine to current students. And thousands of clicks opened a digital version online.

12 Essentials to Success

2005 – Based on research with employers, Career Services created this professional development guide to help students learn about expectations and the critical skill sets employers seek in entry level candidates.
