

# On-Campus Interviews

On-campus interviews for jobs and internships begin September 12, 2011. Students can begin to sign up/apply for open positions 28 days prior to the scheduled interview date (see each posting for specific details).

**Important:** Students, please remember to update your profile and upload your resume. You will not be able to apply for open positions without this information in the MySpartanCareer.com system.

**What is MySpartanCareer.com?** It is MSU's on-line job/internship board. This is available exclusively to MSU students. To learn more go to [www.myspartancareer.com](http://www.myspartancareer.com).
